BACKGROUND

Seeing the northern lights is a rare treat at our latitude. They are both a simple, atmospheric phenomenon and an awe-inspiring, otherworldly spectacle – a timeless reminder of the magic and majesty of our natural world. As winemakers, we are guided by our deep reverence for nature, and it is our privilege to coax beautiful expressions from this unique place we call home.

TASTING NOTE

Light-bodied and fruit-forward with aromas of cherry, fresh plum and a hint of dried oregano on the nose. A bright entry on the palate introduces flavors of cherry pie and wild strawberry with a savory quality that subtly permeates the fruit. Hungarian oak influences during maturation allow for a delicate oak structure without overpowering the red fruit flavors. Flavors of cranberry and a hint of toast on the finish combine with a clean, lingering acid to make this an approachable, easy-drinking Pinot.
